STAGECOACH ROAD CONSTRUCTION UPDATE

(KILLEEN, TEXAS): The final segment of the Stagecoach Road Reconstruction Project begins Monday. Stagecoach Road will be closed from W.S. Young Drive to Wells Fargo Road. Turkey Trot Road will be closed from Stagecoach Road to Wells Fargo Road. These closures will be in place for approximately five months.

Through traffic will be detoured to W.S. Young Drive or Trimmier Road for the duration of the project.

Stagecoach Road, from Onion Road to W.S. Young Drive, will open Monday. The Featherline Road and Onion Road intersections with Stagecoach Road will also open.

Construction continues on Stagecoach Road from Onion Road to Bowfield Drive, where traffic is reduced to one lane in each direction. Additionally, the Bowfield Drive intersection with Stagecoach Road is closed. Work is expected to conclude in approximately six weeks.

Detour signage will be in place. Motorists should exercise caution while in the area and plan alternate routes for the duration of the closure.

The Stagecoach Road Reconstruction Project will widen Stagecoach Road to five lanes with a continuous center turn lane from the Harker Heights city limit to State Highway 195. The entire project is scheduled for completion this summer.

The City of Killeen apologizes for any inconvenience caused by this project and appreciates your cooperation as we expand this roadway.
